The Honorable William J. Casey  
Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Bill:

We have recently completed a major portion of the renovation in the Committee staff working area (Room G-308, Dirksen Senate Office Building). An invitation is extended to you to have your security people review the manner in which security is accomplished by our staff following the renovation. Previous visits by your experts have proven very beneficial in the past, and we on the Committee want to make certain that our security practices and procedures are maintained at the highest attainable standard.

Please have your security people make arrangements for a visit through Ben Marshall, my Security Director, who can be reached at 224-1771.

Sincerely,

*Barry*
